About the Speaker

Today's Presenter:

Craig Jeffery, CCM, FLMI
Founder & Managing Partner
Strategic Treasurer

Craig Jeffery formed Strategic Treasurer, LLC in 2004 to provide corporate, educational, and government entities direct access to comprehensive and current assistance with their treasury and financial process needs. His twenty-five years of financial and treasury experience as a practitioner and as a consultant with various financial institutions have uniquely qualified him to help organizations craft realistic goals and achieve significant benefits quickly.

Mr. Jeffery was previously a Senior Vice President and Practice Leader for Wachovia Treasury & Financial Consulting from 2000 through 2004. Prior to joining Wachovia, Mr. Jeffery worked with a major regional bank as Vice President and worked in the Information Management, Investment, and Treasury Divisions at The Hartford. He is the author of a book for Treasury, *The Strategic Treasurer: A Partnership for Corporate Growth*, published July 2009 by John Wiley & Sons.

Our mission is to
elevate & enhance
the **practice of treasury**
by advising individual clients
& **informing** the industry at large.

■ NPS Detractors (0 to 6) ■ NPS Passives (7 and 8) ■ NPS Passives (7 and 8)

Staffing

Are your treasury staffing levels where they need to be now?

Regulation

Is regulatory change a significant concern for your institution?

What, if any, regulatory concern(s) are top of mind for your institution? (Select all that apply and provide others as needed)

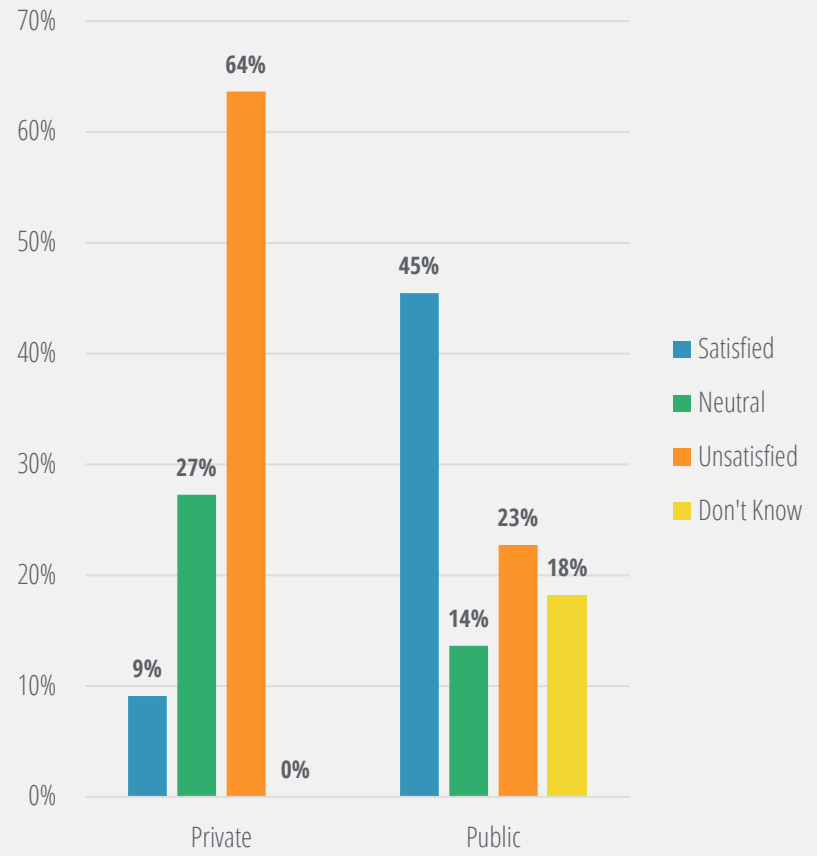

Specialized Concerns

How satisfied is the institution with current enrollment /student retention levels given rising tuition?

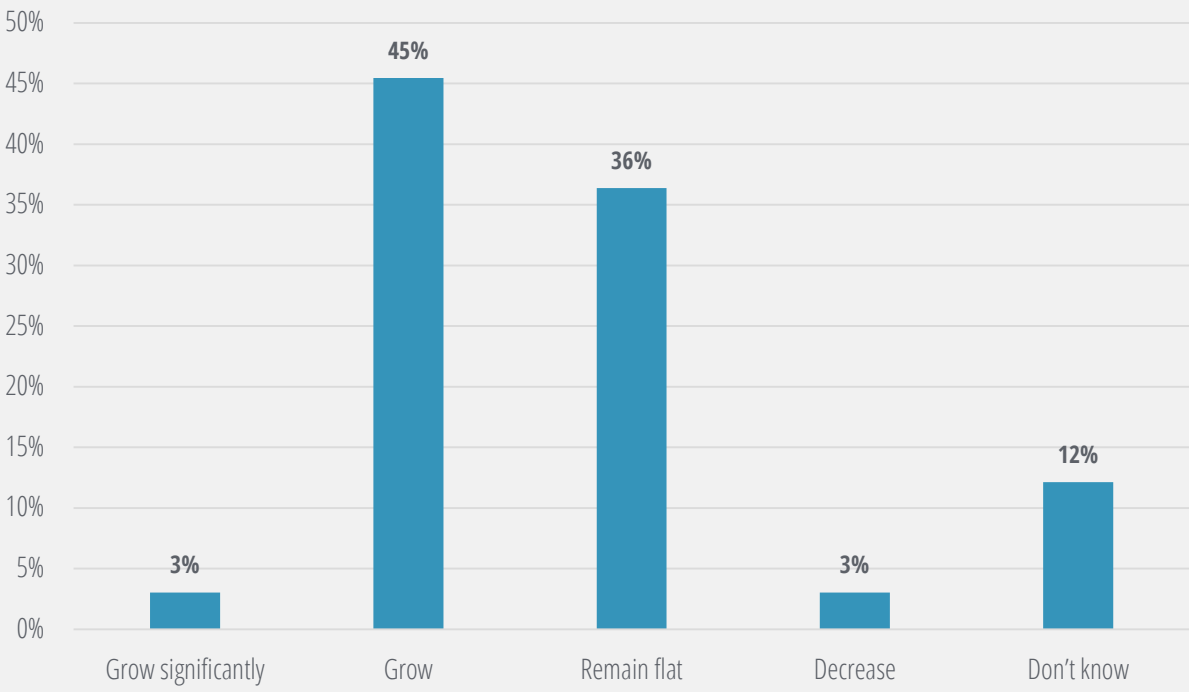

How satisfied is the institution with current enrollment /student retention levels given rising tuition?

Specialized Concerns

Do you expect the current rates of enrollment/ student retention to grow, remain flat, or decrease over the next 2-4 years?

Poll Question

Given the global ransomware attack this past weekend
have your concerns about cybercrime increased?

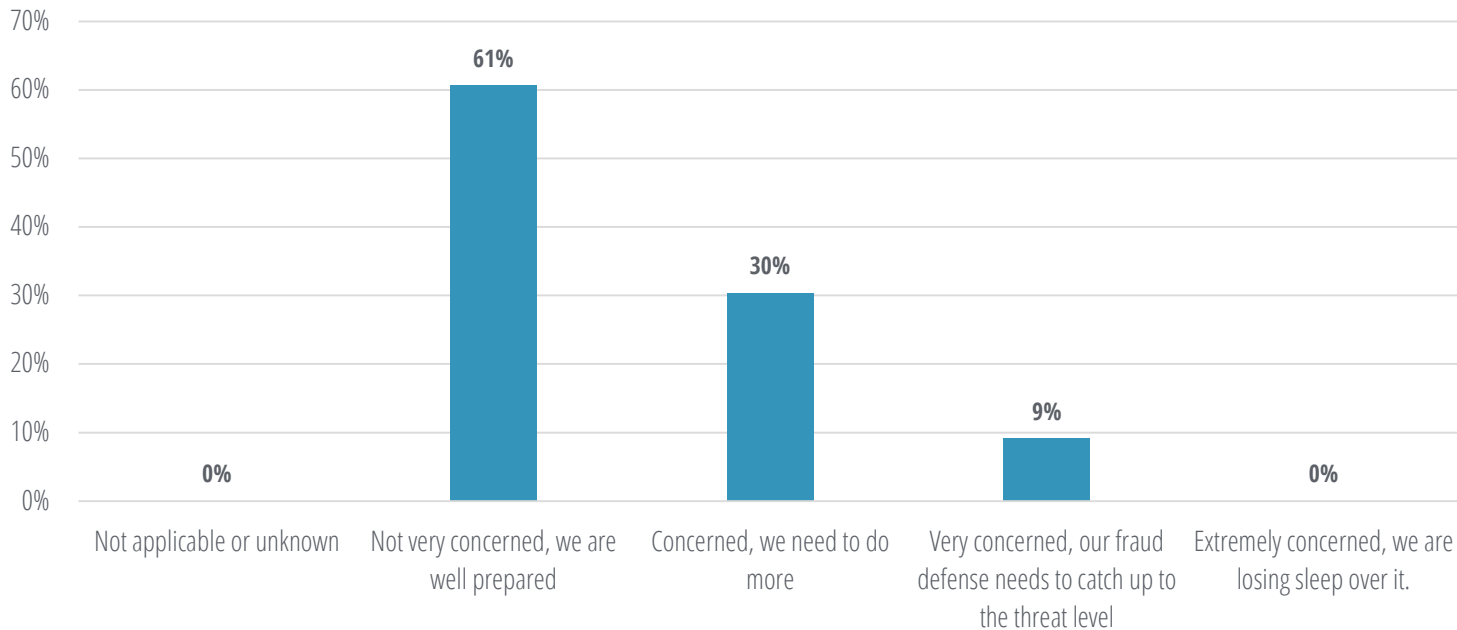

- Increased greatly
- Increased
- About the same
- Decreased
- Decreased greatly

Fraud Concern

Chapter: Fraud Management

Which statement best reflects your level of concern about fraud?

61% of respondents to the 2017 Higher Education Survey indicated **little concern regarding fraud**. We find this surprising, given how many firms experienced attacks over the past year.

Fraud & Cybercrime

Crime Hierarchy- The Criminal:

1. Controls your assets and takes them
2. Acts as imposter and gets you to send money
3. Steals valuable information they can sell
4. Locks your information down so you can't use it unless you pay

POLL - Check all that apply:

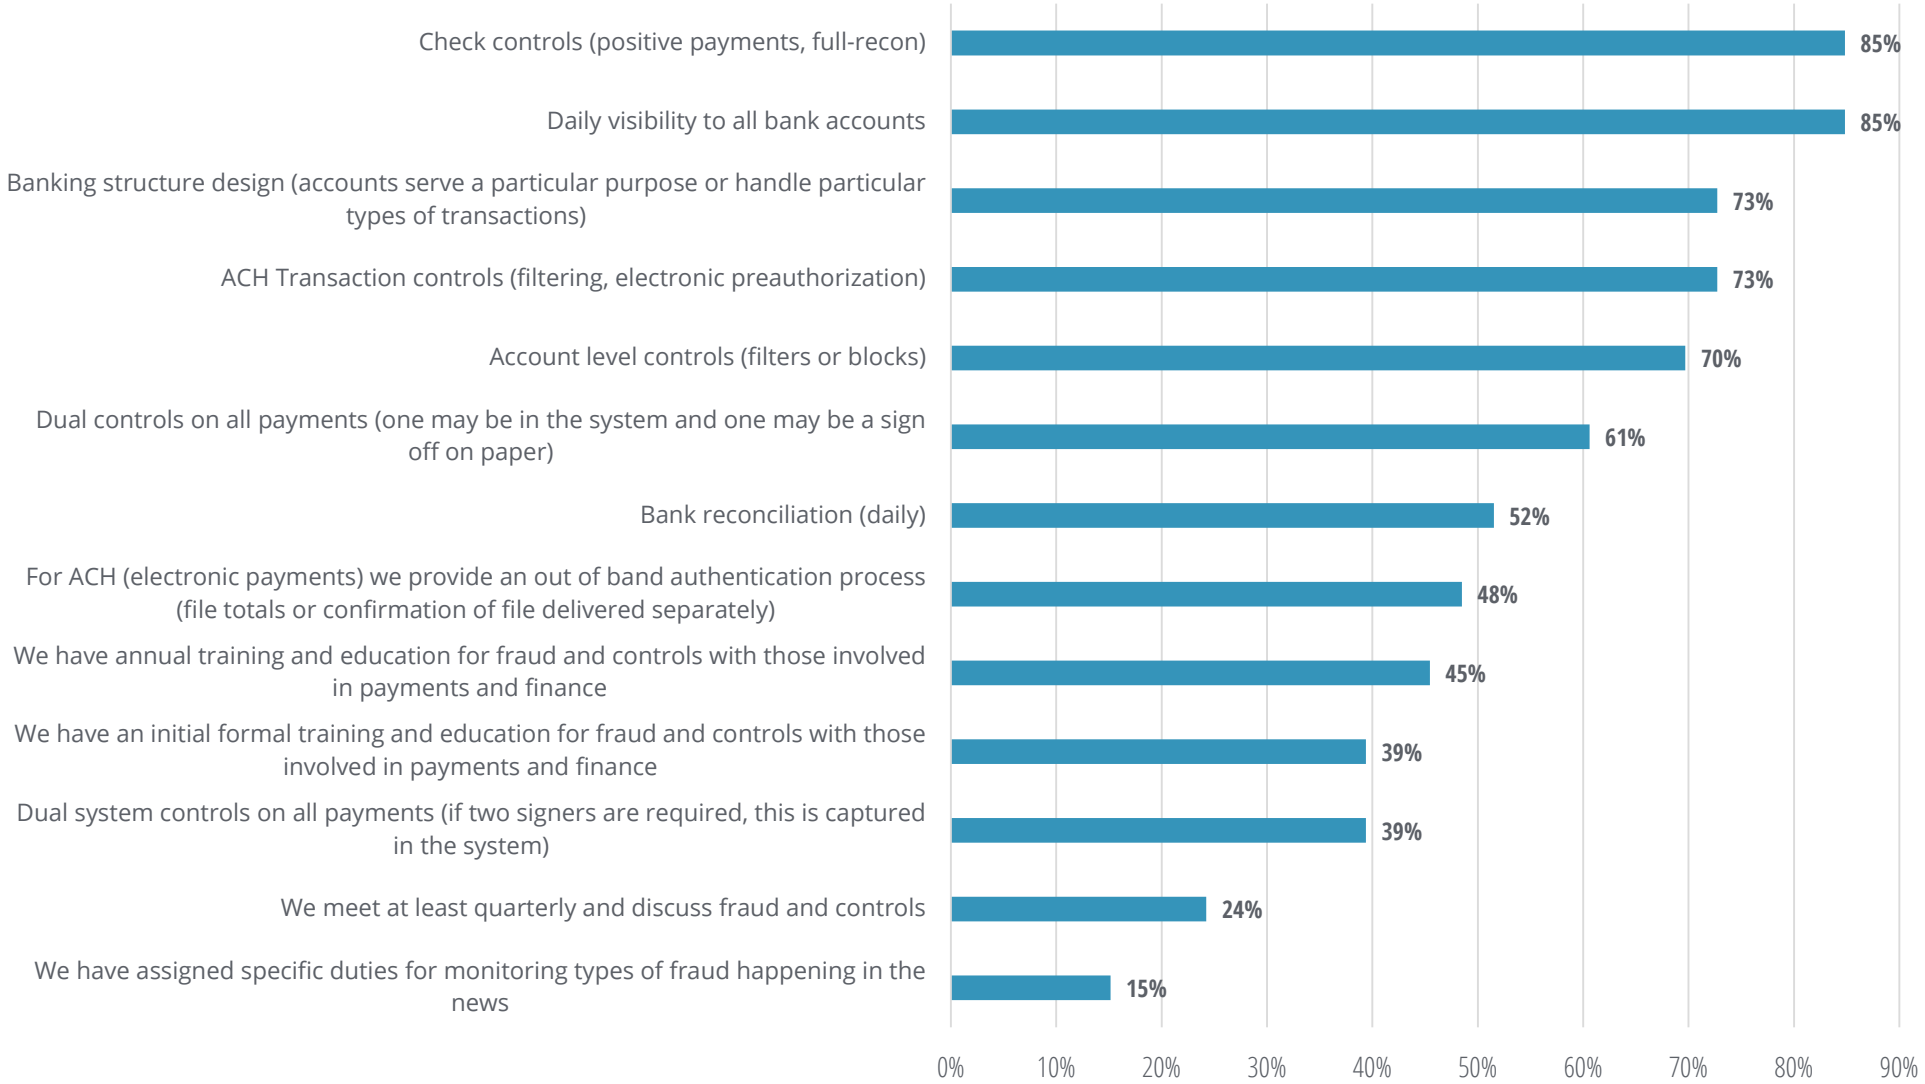

We have the following in place:

- Email Phishing training
- Phishing testing
- Ongoing Fraud/Security Training
- Separate computer for payments that doesn't have email access
- Account/Transaction controls: positive payment
- Account/Transaction controls: ACH debit filtering or blocking
- None of the above

Fraud Prevention

Please indicate where/whether treasury has the following fraud prevention tools, controls or structure:
(select all that apply)

Fraud Prevention

Does your institution have adequate INTERNAL monitoring tools to prevent fraud, theft or detect anomalous behavior?

Do you have the ability to proactively monitor anomalous or suspicious behavior within your system(s)?

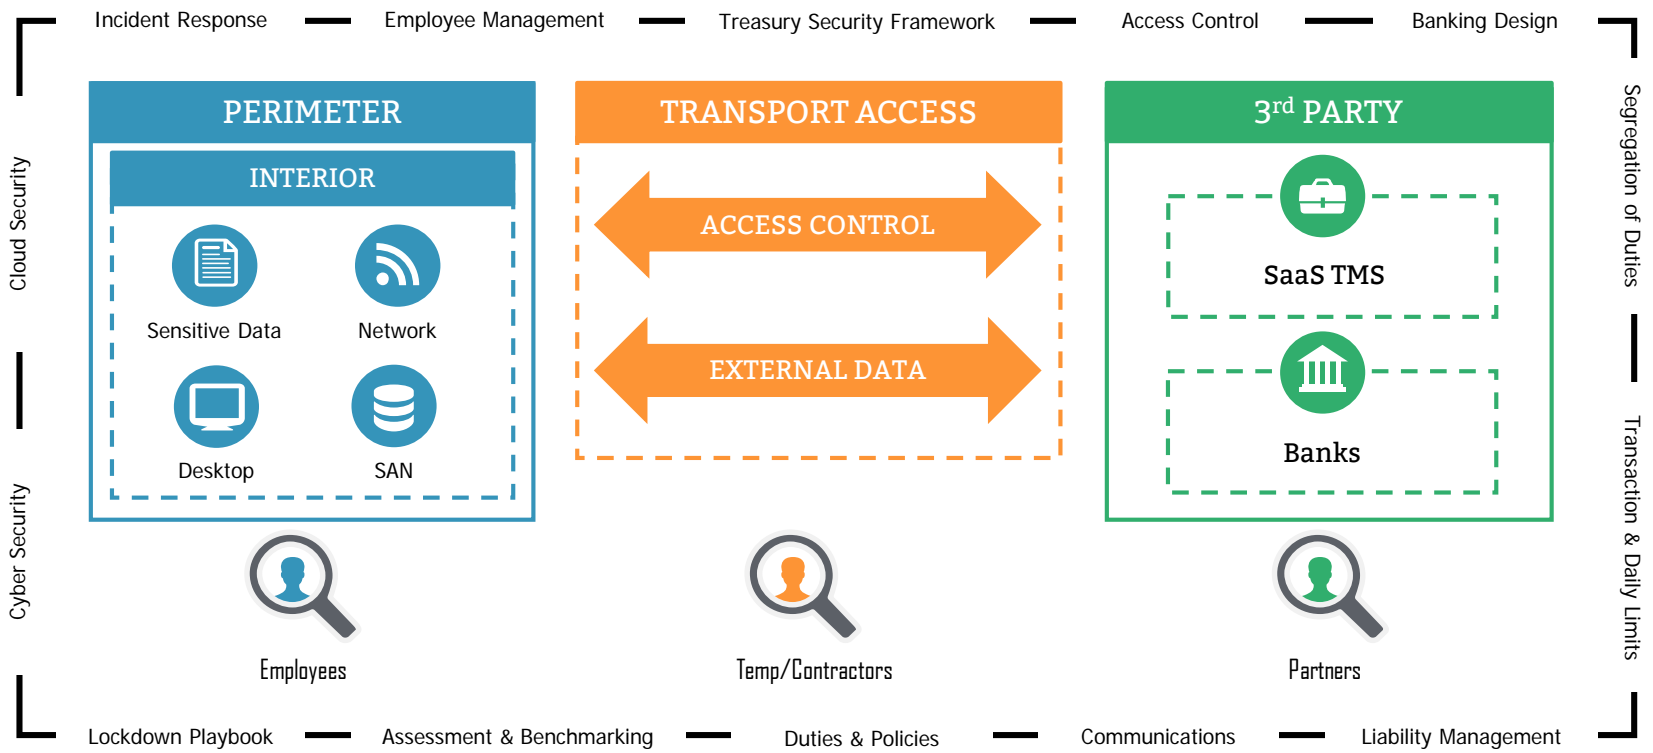

(From 2017 Fraud & Controls Survey)

Treasury Fraud Protection

TREASURY SECURITY: AREAS OF EXPOSURE

💡 Treasury Fraud Protection

The diagram consists of four vertical blue bars, each containing a white icon: a book, a shield with a cross, a chess knight, and two interlocking gears. To the right of these bars is a list of four numbered pillars, each with a corresponding icon in a dark blue box.

FOUR PILLARS of TREASURY SECURITY

- 1. ASSESS & ARCHITECT**
 - Greater Awareness
- 2. PREPARE & PREVENT**
 - Stronger Defense Posture
- 3. MANAGE & MAINTAIN**
 - Ongoing Training
 - Testing
- 4. RESPOND & RECOVER**
 - Reporting
 - Response (Fast, Appropriate, Lockdown)
 - Rework (Restore to New Operating Model)
